

Automatic Pool Cleaners

Automatic Pool Cleaners
for Inground or
Aboveground Pools

Kreepy Krauly® Platinum™

Pressure-side Inground Pool Cleaner

Featured Highlights

- Dual thrust jets provide maximum power for speed and suction so most pools are cleaned in just 1–3 hours
- Front-wheel drive and heavily treaded tires provide maximum traction on inclined surfaces to assure total pool wall and floor coverage
- Four wheel design prevents tipping (common with 3 wheel cleaners) for uninterrupted and unattended performance
- Large-capacity debris channel and huge intake throat easily pick up larger leaves and debris
- Suitable for concrete, vinyl-lined and fiberglass pools

Platinum is simply the most powerful pressure-side cleaner available. It's the ideal choice for inground pools exposed to higher loads of leaves and debris.

A leading choice for pools with yards with lush landscaping and tougher cleaning challenges.

Kreepy Krauly® Legend® II Pressure-side Inground Pool Cleaner

Kreepy Krauly Legend® II

Legend® II provides pressure-side power without the added energy consumption of a booster pump. That means fast, thorough cleaning and a lower cost to operate. Dual-jetted design powers water through unit to create powerful vacuum action.

Featured Highlights

- Superior cleaning power without a booster pump
- Front-wheel drive design assures maximum traction on inclined surfaces for total pool coverage
- Four wheel design prevents tipping (common with 3 wheel cleaners) for uninterrupted and unattended performance
- Dual thrust jets for maximum power, speed and performance
- Automatic back-up feature prevents hang-ups by steps and in corners to assure uninterrupted and unattended performance
- Heavy-duty, large-capacity twist lock collection bag for long periods between cleanings and ease of maintenance
- Available in Grey/White or all Grey

Kreepy Krauly® SandShark™

For Inground Swimming Pools

Featured Highlights

- SmartTrac programmed steering system maneuvers around tight corners, ladders, and obstacles to assure fast, thorough cleaning performance. It cleans faster than random-style cleaners reducing the possibility of missed spots.
- Vac Port Door Fitting has a spring-loaded cover for added safety, and must be opened with a tool

Foot pad features multiple rows of squeegee-like fins which easily dislodge stubborn dirt and debris. Cuts a 12 in. wide cleaning path and easily cleans gunite, fiberglass and vinyl surfaces in all types of inground pools.

Kreepy Krauly® Great White®

For Inground Swimming Pools

Featured Highlights

- Clears a 15 in. path and powerfully cleans gunite, fiberglass, vinyl and other specialty surfaces
- Vac Port Door Fitting has a spring-loaded cover for added safety, and must be opened with a tool
- Turning mechanism helps maneuver around tight corners, ladders, and obstacles to assure fast, thorough cleaning performance.

The bristle drive and oscillating vortex design effectively scrubs and vacuums away large and small debris. Well suited for flat, dish-incline and hopper-bottom pools.

Kreepy Krauly® Kruiser™

Automatic Inground Pool Cleaner

Kreepy Krauly Kruiser

Kreepy Krauly® Kruiser features many design elements shared by the most popular suction-side cleaner in history, the Kreepy Krauly® Classic. Then we added performance features to make Kreepy Krauly Kruiser relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable.

Featured Highlights

- Superior vacuum power and extra-wide mouth capture large and small debris with ease
- Superior seal design includes specially engineered slits and "fingers" to assure the unit won't get stuck or thrown off course by main drains, tight corners, eyeball fittings, and lights
- Built-in bumper assures free movement around steps and ladders for total cleaning coverage and uninterrupted, hands-free operation
- Installs in minutes without tools to skimmer

Kreepy Krauly® E-Z Vac®

Suction-Side Aboveground Pool Cleaner

Kreepy Krauly E-Z Vac

Featured Highlights

- Superior hydraulic design for optimum vacuuming power
- Only one operational moving part—the flapper—for long, dependable service—no wheels or gears to replace or service
- Free skimming valve regulates water flow to assure proper cleaning speed and simultaneous skimming of surface debris while vacuuming
- Engineered to work flawlessly in flat-bottomed and dish-shaped pools with a banked or radius cove

Simply the best built aboveground pool cleaner available. E-Z Vac was designed based on the same time-tested platform as the most popular suction-side cleaner in history, Kreepy Krauly. Includes 32 ft. of hose.
