Maintenance & Safety Equipment

Products for Safety & Maintenance

Brushes and Scrubbers
Pool, Spa, Deck and Tile Brushes

Pentair Water
Pool and Spa®

Featured Highlights

Curved Brushes

• UV stabilized polypropylene or nylon bristles.

• Snap-adapt handle fits most poles

• Aluminum Back Brushes with strong die cast aluminum back

• Molded Brushes with heavy-duty one piece molded construction

• Model 907 has a 50/50 blend of stainless and nylon bristles. Recommended for new pool start-up brushing or mild algae cleaning.

Stainless Steel Algae Brushes

• All algae brushes feature quality stainless steel bristles

• Perfect for removing tough algae on plaster surfaces

• Snap-adapt handle fits most poles

Scrubbers

• 650 Scrubber has a molded hand grip and includes 3 interchangeable pads

• 651 Universal Scrubber features an ABS back with a swivel joint handle and a light duty replaceable pad

Floating Chemical Dispensers

Pentair Water
Pool and Spa®

Featured Highlights

For use with Bromine or slow dissolving Trichlor tablets

330 Floating Chemical Dispenser

• Linear polyethylene construction and foam filled for added buoyancy. Has twist lock cap and adjustable control ring. Holds six 3 in. or 3 lbs. of 1 in. tablets.

335 Chlorine/Bromine Floating Dispenser

• For spas and small swimming pools. Linear polyethylene and foam filled. Rate of chemical dispensing is controlled by dial device. Holds 1 in. tablets only.

332 Splasher Pool/Spa Floating Dispenser

• For aboveground, splasher or small pools and spas. Can be used under spa or pool covers. Linear polyethylene and foam filled. Molded dispensing windows and positive control device. Holds approx. 11 oz. of 1 in. tablets.

Floating Accessory Leash

• Prevents floating items from hanging up or drifting away. Has 36 in. cord and molded anchor plate with pressure sensitive pad that adheres to most surfaces.

Leaf Traps / Leaf Eaters

Pentair Water
Pool and Spa®

## Featured Highlights

Leaf Traps

- Specially designed to be used with automatic suction-side pool cleaners or vacuum heads. Rainbow Leaf Traps capture large amounts of leaves, twigs, rocks, hair pins, and other debris before it reaches the skimmer or pump basket. Most models include 3 ft. of flexible vacuum hose.

186 'Snap Open' Leaf Trap

- Features snap open and close lid, clear housing and large handle for ease of carrying. Available in 1-1/2 in. and 2 in. models. Traps debris in polyester bag. 25 sq. ft. cartridge (with special plug) for 100% filtration of fine dust, silt or small debris is also available.

185 Leaf Eater

- Venturi action top skimmer or bottom cleaner. Works with a garden hose and standard telepole or automatic pool cleaner hose. Collector bag slips on and off easily. Comes with brushes for vinyl liner pools and wheels for ease of turning on hard bottomed pools.

Poles

Featured Highlights

- **Rainbow Lifegard Telescopic Poles** are constructed of high quality drawn aluminum tubing. The 1-1/8 in. OD inside tube is clear anodized and the 1-1/4 in. OD outer tube is bright blue anodized. Each has a bicycle type vinyl hand grip and packed in a protective poly sleeve.

- **Rainbow Lifegard Fiberglass Poles** with E-Z Lock compression lock are manufactured to withstand abuse. Required for service pros in areas where protection from electrical shock is mandatory. UV protective coating helps prevent splintering with age.

Mini Vac™ / Vac-Mate®

Pentair Water
Pool and Spa®

Mini Vac™ Display Box

204

Featured Highlights

Mini Vac™

Cleans spas, above ground pools, ponds, fountains and spot cleans large pools

• Designed for use with a garden hose or 1-1/4 in. or 1-1/2 in. vacuum hose

• Mini Vac™ comes complete with silt bag, hose adapter, shut-off valve for garden hose use and snap-adapt handle for attaching PVC or telescopic poles

• Includes brush attachment for use on vinyl, fiberglass or smooth plaster surfaces and a nozzle attachment with wheel for use on rougher surfaces or spot cleaning large pools

Vac-Mate®

• A multi-function vacuum/skimmer attachment. The addition of a Vac-Mate® in most skimmers allows you to control a suction cleaner while maximizing surface skimming, all with one simple setting of the control handle.

• Skims pool surface continuously while cleaner is operating

• Traps debris in Vac-Mate® basket before it reaches pump pot

• Replaces most control mechanisms supplied with pool cleaners

• Makes any suction type pool cleaner and wall skimmer fully automatic

Miscellaneous Accessories

Pentair Water
Pool and Spa®

Featured Highlights

Ladder Bumper

• Inner/outer design with pliable starter plug. Molded of medium density PVC. Fits standard 1.900 O.D. S.S. tubing.

• Protects pool wall from open end of tubular ladders

Lifegard® Silicone Lubricant

• For use on rubber seals, gaskets and o-rings in contact with plastics and metals. Recommended for use on filters, pumps, chlorinators and valves where corrosion occurs.

SVRS Test Mat Kit

• Fast and simple solution to determine if your vacuum release system is functioning properly at the time of testing. Simulates a real-world method for testing the full suction system.

AquaTRAM™ Pool Access Lifts
ADA-Compliant Commercial Pool Lifts

Pentair Water
Commercial Pool and Aquatics™

AquaTRAM LT

AquaTRAM 360

AquaTRAM

Featured Highlights

- All AquaTRAM lifts comply with ADA Guidelines.
- Dual flip-up arm rests provide easy and safe access.
- Rechargeable battery-powered operation for easy use.
- Comfortable seat with adjustable lap belt
- Simple-to-operate controls provide easy access in and out of pool.
- Stainless steel with corrosion-resistant powder coated finish.
- Lifting capacities up to 500 pounds.

Effective March 15, 2011 New ADA Regulations mandated that most types of commercial swimming pools must have ADA-compliant pool lifts or other approved means of access installed before March 15, 2012. AquaTRAM pool access lifts provide, safe, easy swimming pool access for swimmers with physical disabilities. With three versions to choose from, there is an AquaTRAM that fits every pool and budget. Standard features include simple to operate controls, rechargeable battery-powered operation and lifting capacities of up to 500 pounds.

Note: Not every lift will work for every application and pool profile. For example, the AquaTRAM and AquaTRAM LT lifts are not designed to clear high curbs or walls. To ensure that you are selecting an appropriate lift for your facility, please refer to our AquaTRAM verification guides or contact customer service for additional applications assistance. AquaTRAM verification guides are available on our website at www.pentaircommercial.com.

Note: For best efficiency please fax your purchase orders directly to 845-463-7291 or email: paragoncustserv@pentair.com.

For information about AquaTRAM lift accessories, please contact your Pentair Water Pool and Spa Representative.

AquaTRAM products may have extended lead-times and cannot be combined with any Pentair Water Pool and Spa, Inc. freight programs.
