Automatic Pool Cleaners

Automatic Pool Cleaners for Inground or Aboveground Pools
Kreepy Krauly® Platinum
Pressure-side Inground Pool Cleaner

Platinum is simply the most powerful pressure-side cleaner available. It’s the ideal choice for inground pools exposed to higher loads of leaves and debris.

A leading choice for pools with yards with lush landscaping and tougher cleaning challenges.

### Featured Highlights

- Dual thrust jets provide maximum power for speed and suction so most pools are cleaned in just 1–3 hours
- Front-wheel drive and heavily treaded tires provide maximum traction on inclined surfaces to assure total pool wall and floor coverage
- Four wheel design prevents tipping (common with 3 wheel cleaners) for uninterrupted and unattended performance
- Large-capacity debris channel and huge intake throat easily pick up larger leaves and debris
- Suitable for concrete, vinyl-lined and fiberglass pools

Disposable Debris Bag
For use with Pressure-side Inground Pool Cleaners

Disposable debris bags are now available for Pentair Water Pool and Spa® automatic pressure-side pool cleaners. The bag’s micro-filtration catches even the finest debris. Simply remove the Quick-Lock Clamp and discard the bag, you’ll never have to empty or touch unpleasant debris again.

### Featured Highlights

- Quick-Lock Clamp is reusable for less plastic waste
- Never touch debris again - simply remove bag from cleaner and discard
- Micro-filtration helps remove even fine debris

1 The Platinum automatic pool cleaner comes ready to connect into a female threaded 1-1/2 in. line, dedicated to our Universal Booster Pump (P/N LA01N) sold separately.

See pages 306–309 for replacement parts.
**Kreepy Krauly® Legend®**

Pressure-side Inground Pool Cleaner

The Legend® pressure-side cleaner features a highly efficient booster pump (sold separately) for optimum power and unimpeded surface skimming, plus a large intake throat to handle large and small debris.

**Featured Highlights**

- Front-wheel drive for maximum traction on inclined surfaces for total pool coverage
- Four wheel design prevents tipping (common with 3 wheel cleaners) for uninterrupted and unattended performance
- Large intake throat and high-capacity bag handle large debris with ease
- Heavy-duty, large-capacity twist lock collection bag for long periods between cleanings and ease of maintenance
- Available in Grey/White or all Grey
- Cleans most pools in just 1–3 hours

**Kreepy Krauly® Legend® II**

Pressure-side Inground Pool Cleaner

Legend® II provides pressure-side power without the added energy consumption of a booster pump. That means fast, thorough cleaning and a lower cost to operate. Dual-jetted design powers water through unit to create powerful vacuum action.

**Featured Highlights**

- Superior cleaning power without a booster pump
- Front-wheel drive design assures maximum traction on inclined surfaces for total pool coverage
- Four wheel design prevents tipping (common with 3 wheel cleaners) for uninterrupted and unattended performance
- Dual thrust jets for maximum power, speed and performance
- Automatic back-up feature prevents hang-ups by steps and in corners to assure uninterrupted and unattended performance
- Heavy-duty, large-capacity twist lock collection bag for long periods between cleanings and ease of maintenance
- Available in Grey/White or all Grey

Kreepy Krauly® Classic™
Suction-Side Inground Pool Cleaner

Kreepy Krauly® is simply the most popular suction-side cleaner in history with more than 3 million satisfied customers worldwide. It’s fast, dependable, thorough and lasts for years and years.

Featured Highlights
• Turbo action swivel design and regulator valve for maximum cleaning power
• Dive float directional system assures optimum cleaning performance from the water line to the pool bottom
• Automatic valve regulates water flow to set the ideal travel speed for more thorough cleaning
• Original “one moving part” design for years of dependable service – no wheels or gears to replace
• Large intake throat assures removal of large and small debris

Kreepy Krauly® Kruiser™
Automatic Inground Pool Cleaner

Kreepy Krauly® Kruiser features many design elements shared by the most popular suction-side cleaner in history, the Kreepy Krauly® Classic. Then we added performance features to make Kreepy Krauly Kruiser relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable.

Featured Highlights
• Superior vacuum power and extra-wide mouth capture large and small debris with ease
• Superior seal design includes specially engineered slits and “fingers” to assure the unit won’t get stuck or thrown off course by main drains, tight corners, eyeball fittings, and lights
• Built-in bumper assures free movement around steps and ladders for total cleaning coverage and uninterrupted, hands-free operation
• Installs in minutes without tools to skimmer

**Featured Highlights**

- Superior hydraulic design for optimum vacuuming power
- Only one operational moving part—the flapper—for long, dependable service—no wheels or gears to replace or service
- Free skimming valve regulates water flow to assure proper cleaning speed and simultaneous skimming of surface debris while vacuuming
- Engineered to work flawlessly in flat-bottomed and dish-shaped pools with a banked or radius cove

Two-way cleaning action removes even the toughest grime. Effectively cleans vinyl surfaces in flat or dish-bottom aboveground pools. All cleaners come equipped with everything your customers will need for a spotlessly clean pool.

---

**Kreepy Krauly® E-Z Vac®**

**Suction-Side Aboveground Pool Cleaner**

Simply the best built aboveground pool cleaner available. E-Z Vac was designed based on the same time-tested platform as the most popular suction-side cleaner in history, Kreepy Krauly. Includes 32 ft. of hose.
